

Abu Dhabi Airport Communication Base Station EMS

Overview

The emergency medical teams will consist of Paramedics and Emergency Medical Technicians (EMTs) with the support of its Ambulance Communications Centre, as well as six ambulances and one fast response vehicle. Working with both the government and private sectors, National Ambulance delivers quality. Abu Dhabi Airports has signed an agreement with National Ambulance (NA) to provide and manage emergency medical services across all their airports. For any inquiries or feedback, feel free to call us at +971 (2) 805 5000, send an email to info@adairports.ae, or simply drop us a message using the form below.
