

# High quality on solar container grid inverter in London

## Overview

---

We review the best grid-connect solar inverters from the worlds leading manufacturers Fronius, SMA, SolarEdge, Fimer, Sungrow, Huawei, Goodwe, Solis and many more to decide who offers the highest quality and most reliable solar string inverters for residential and commercial solar. ApolloGrid as Rahvolt Group's core UK operating subsidiary, delivers integrated energy storage solutions for British households-encompassing sales, professional installation, maintenance, and lifetime support for premium solar inverter-battery systems. Most solar panels on the market can't achieve. An Off Grid solar Container unit can be used in a host of applications including agriculture, mining, tourism, remote islands, widespread lighting, telecoms and rural medical centres. Off-Grid Installer have the answer with a containerized solar system from 3 kw up wards. With our expert team and high-quality products, you can trust us to deliver a seamless installation experience. The beauty of our systems is they are completely expandible in terms of PV Panels, Inverter Kw output/phases and battery storage. In built solar charge regulator. Battery equalisation to extend life-cycle.

## High quality on solar container grid inverter in London

---

### Off-grid container power systems

We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV panels and mountings.
