

# Huaden Technology Photovoltaic Panel Manufacturer

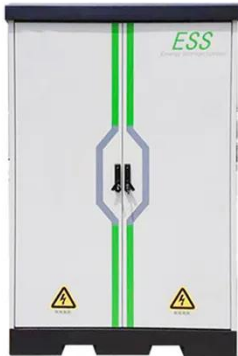

## Overview

---

Zhejiang Hounen Photoelectric Co Ltd will build a crystalline silicon PV panel manufacturing fab, its 1st in the US. It will have an annual capacity of 1 GW and be located in South Carolina, according to state Governor Henry McMaster. We care about the world we live in and the future we are making. Yet another Chinese company is making inroads into the US solar manufacturing industry after the passing of the Inflation Reduction Act (IRA). (“Huasun”) specializes in the R&D and large-scale production of ultra-high-efficiency n-type HJT products.
