

Madagascar outdoor telecom enclosure

Overview

Our outdoor telecom enclosures offer superior protection with IP65/IP66 weatherproof ratings, constructed from premium stainless steel or aluminum. Available in multiple rack sizes (18u-47u), featuring integrated ventilation and thermal management. They have adjustable rack sizes and spacing, a 3 and 4-point locking system, and solar caps to manage heat loads. Charles Universal Broadband Enclosures (CUBE) are constructed to withstand the elements and provide superior protection for active electronics in all environments. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment.

Madagascar outdoor telecom enclosure
