

Nordic Energy Storage Power Station Join

Overview

Hitachi Energy has signed an agreement with Nordic Electro Power (NEPower) to provide advanced power conversion technology for Finland's largest battery energy storage system (BESS) in Haapajärvi. Sweden's largest energy storage investment, totaling 211 MW, goes live, combining 14 sites. Developer and optimiser Ingrid Capacity and energy storage owner-operator BW ESS have been. Computer-generated picture of the future battery storage park in Finland.
