

# Oman Energy Storage Battery Project

## Overview

---

A Masdar-led consortium has secured a significant 500 MW solar photovoltaic (PV) and 100 MWh battery energy storage system (BESS) project in Oman, marking a substantial step in the nation's energy transition. The consortium also includes Al Khadra Partners. Oman is taking a monumental step in its renewable energy journey, with its first utility-scale solar and battery storage project being awarded to a consortium of ACWA Power, GIC, and Al Rajhi Holding Group.
