

Photovoltaic panel installation plant for rent

Overview

With our energy-as-a-service model, ENVIRIA takes care of the financing, installation, and even the operation of the PV system on your commercial roof. We own the system, and you use it and benefit from ecofriendly, low-cost solar power. This is how solar land leasing works with Genie Solar: The area's electrical grid must have. Solar energy is a renewable energy source that uses solar radiation to generate electricity in a sustainable way. These factors include location, available incentives, and specific site conditions.
