

Rental of photovoltaic panels installed on roof

Overview

Solar leasing is like renting a car, but for solar panels. Instead of buying panels outright, a company puts their equipment on your roof, and you pay a monthly fee to use the power. The company owns and takes care of the system while you enjoy cleaner electricity. See if your home is a good candidate today. Strategies tailored to protect your. Compare the best solar panel pros in your area. Owners collect all the solar tax credits and improve their energy efficiency to reduce operating expenses and comply with local laws. In return, these companies often offer a.
