

# Sinoma Photovoltaic Energy Storage Project

## Overview

---

An investment agreement was signed for Sinoma EC International to build a 300 MW solar power plant and a 75 MW energy storage system in Uzbekistan's Navoi region, advancing the country's renewable energy goals under the "Uzbekistan-2030" Strategy. 38MWp solar power and 10MW/20MWh hybrid energy storage, allowing the plant to self-suffice in meeting its peak electricity demand. China United Cement Xuzhou "Integrated Solar and Storage" Project Breaks Ground Construction has officially begun. The Ministry of Investment, Industry, and Trade of Uzbekistan hosted the signing of an Investment Agreement for a major renewable energy project on Novem.
